vinyl 10" and download // thin retro god / a profit on greediness / mobs over, rob me

recorded by animosity at godcity studios with kurt ballou

remixed by drumcorps

mastered by lupu at d&m

artwork by john lause

the digital version is released 100% free, under a [creative commons](#) attribution-noncommercial-share-alike license, and is available in high quality MP3 or FLAC lossless. both downloads contain a 9 page PDF booklet, info file, and embedded artwork for mobile audio players.

a deluxe vinyl version is available at <http://indiemerchstore.com>. the record is an artistic masterpiece, with absolutely ridiculous over-the-top production. it's an etched & foil stamped ten inch, in four different color variations, some of which are ultra-mega-deluxe and come with 22-color hand-screenprinted and letterpressed jackets. basically everything you can do to a record, they did it.

as a sincere thank you to our supporters, we're proud to give you guys the highest quality digital formats possible. thanks, and enjoy the jams.
