GENGHIS TRON's track 'Board Up The House', as remixed by Renholder, appears in the brand new film Underworld: Rise Of The Lycans in theatres January 23rd. 'Board Up The House' plays over the movie's end-credits sequence and also appears on the official 'Underworld: Rise Of The Lycans' soundtrack in stores today and on iTunes at this location. For more information on the soundtrack, visit MySpace.com/UnderworldRise (<http://www.MySpace.com/UnderworldRise>) and for more information about the movie itself, visit EnterTheUnderworld.com (<http://www.EnterTheUnderworld.com>).

The 'Board Up The House' remix originally appears on volume three of the band's five volume 12" remix series of their latest record Board Up The House alongside remixes from Scott Hull (PIG DESTROYER, AGORAPHOBIC NOSEBLEED), Phillip Cope (KYLESA), ULVER, and DRUMCORPS. More information on this volume can be found here (<http://shop.relapse.com/store/product.aspx?ProductID=30484>), with complete series information and audio samples here (<http://www.myspace.com/genghistronremix>).
